

HOMEROOM CAPTAINS / HOMEROOM HELPERS

There will be one Homeroom Captain assigned to each classroom. Captains meet with the Head Homeroom Parent, who coordinates the four classroom parties that will take place throughout the course of the school year with Mrs. Zinn. The Captain will be given the date of the party and is then responsible for coordinating the party with his/her teacher and then the class' parents. They send letters out to the families requesting the supplies (treats, juice boxes, goody bags, etc.) that are needed to throw the party, and then arrange for volunteers to help with the parties (if their teacher wants it.) In addition, they are asked to make arrangements for their teacher's birthday. You can send in a card that the class signed, with a cake or special treat for the teacher, or a bouquet of flowers.

If this sounds overwhelming, don't worry, each class also has homeroom helpers. Homeroom helpers are parents who volunteer to help the homeroom captain with the classroom parties and/or anything else class-related.

- **You may sign up as a Homeroom Captain for one or all of your children. You will be assigned to one class, the one where you are most needed.**
- **Helpers may sign up for one or all of your children.**
