Registration fees cover only a portion of the activities' costs. Each activity, regardless of level, is supported by CYO fundraisers (dances, raffles, Trivia Night). One of the largest and most stable sources of income is CYO dances. ***You are required to chaperone at least one dance** (regardless of your child's grade or whether they attend) *and* also be available to help with two of the jobs listed below (circle two). **Uniforms or equipment from prior seasons must also be returned in usable and clean condition otherwise your child may not participate in the next sport season.** **Community Service: St Titus CYO will focus on one community service project each season. Your child will be requested to participate in these projects with his/ her team. Parents will need to be involved in some of the service projects as chaperones and drivers.** These conditions are mandatory for your child to register and failing to fulfill your obligation may forfeit your child's next registration.
